

## PRIORITY IN ENROLMENT PROCEDURE

---

Places at SGHC Manawa Tapu are **not** determined according to the date of receipt of an application. The number of places available at each year level will be determined by the Mission College New Plymouth Trust Board and the SHGC School Board. To be considered for enrolment, applications should be received by the end of Term 2 the year before entry.

### PRIORITIES

Applications for enrolment will be processed in the following order of priority subject to the number of places available in each year level.

## Other Information

### Managing Enrolments within our maximum roll

If there are more enrolment applications than places of the same priority order (preference or non-preference) then a ballot is held.

### Waiting List Procedure

All unsuccessful applicants may choose to have their names placed on a waiting list. The waiting list will be kept within relevant priority categories. Students on the waiting list may be offered places at a later date if they become available. The waiting list will remain current until the beginning of the next enrolment intake.

## Notes

- Applicants seeking priority status on the basis of enrolment at a particular primary school may be required to provide proof of enrolment at that school.
- Applicants seeking priority status on the basis of a sibling relationship may be required to produce proof of that relationship.
- The Board delegates to the Principal, as the professional leader of the school, the responsibility to administer this enrolment procedure and to exercise discretion where necessary. This discretion may be exercised, where appropriate, in consultation with the Proprietors.

### Places at other levels

The selection processes described above will be the basis for students applying to enrol at Years 10-13 either at the beginning of or during the school year. Applicants on the waiting list will have first offer of places as they become available.
