At Sacred Heart Girls' College, New Plymouth, Manawa Tapu, we Live the Mission gifted to us by the Sisters of Our Lady of the Missions through Ako, Manaakitanga and Wāhine Toa.

We believe that every individual is made in the image and likeness of God and our programmes are designed to encourage every person to strive for individual excellence. Student academic, physical and spiritual hauora is actively nurtured and nourished. We are proud of our achievements and the wide variety of co-curricular and extra-curricular activities that our students have the opportunity to participate in.

The college buildings are modern and well-maintained on an attractive, spacious site that is shared with our boarding hostel, Elizabeth House and an aged care facility, Adele Senior Living. A strong, inclusive family environment exists and is an important aspect of our culture that we treasure.

Since the college was established, its motto "Age Quod Agis" (whatever you do, do to the best of your ability), has been one that we are proud to live by.

The Sisters of Our Lady of the Missions, led by Euphrasie Barbier, started a convent school with a boarding hostel in 1884. The catholic school was for primary and secondary students, boys and girls, next to where St Joseph's Church is now in New Plymouth. In 1960, the school shifted to the present site on Pukaka Street and was renamed Sacred Heart Girls' College.

HOUSES

The names of the four College Houses have their origins in France, and we are linked to the Sisters of Our Lady of the Missions who came to Aotearoa/New Zealand as missionaries during the 19th Century.

Charges, Donations and Payments Information

At Sacred Heart Girls' College, we are committed to providing every student with a rich, well-resourced education that nurtures academic achievement, personal growth, and our Special Character.

The purpose of school donations, how they are used, and why we ask for your support:

While donations vary year-to-year depending on programmes and opportunities, every dollar donated directly supports the learning, wellbeing, and experiences of your daughter. We are deeply grateful for the ongoing generosity of our community, which plays a vital role in enabling the College to offer opportunities that would not otherwise be possible.

It is important to distinguish between fees and donations.

- Fees relate to specific activities (such as sports tournaments or optional events) and are billed separately.
- Donations, while voluntary, directly fund curriculum resources, facilities, learning programmes, and experiences that benefit students across the College.

Donations to Proprietor:

The Mission College New Plymouth Trust Board is the Proprietor of the College. The Special Character Donation helps support and grow the Special Character of the College, including the enhancement of the Religious Education programme and the employment of the College Chaplain.

The Development Donation enables the Mission College New Plymouth Trust Board to provide, maintain and develop the property assets and resources for the College.

Both donations are collected by the College and passed on in full to the Mission College New Plymouth Trust Board. Without your support, the Proprietor would be unable to provide the high-quality resources that our community is fortunate to enjoy.

Donations to College and Curriculum:

Donations in this area support core curriculum resources and learning opportunities directly enhancing the quality of education we can provide. This contribution supports essential classroom resources, ensuring every student has access to the resources they need to thrive.

Donations to Activities/Camps & Retreats:

The College is committed to providing at least one specific outdoor educational experience (EOTC) and Special Character retreat, and one or more whole school events each year. These experiences are creating positive memories for the students outside of the classroom and are an important part of their learning and development. This type of activity can be very costly, and we truly appreciate the contribution parents make to this.

Payment Options:

The annual donations billing is issued early in Term 1, and you have the option of paying either in full or by regular automatic bank payments. Statements are sent out every term by email. You also have the option of directly tracking your account balance through the parent portal on our website, www.shgcnp.school.nz (click on 'Login' and set up your account using student ID). Please note that accounts are linked to student and will show the full amount outstanding even if you have two different payers.

Other fees (compulsory) will be added to your account on your acceptance of the activity as the year progresses.

We understand that families' circumstances vary, and we want to be clear that donations are voluntary. If you are able to contribute, please know that any amount makes a meaningful difference, and every dollar goes directly toward supporting students' education and experiences. If making the full donation is difficult at this time, we warmly invite you to contribute what you can.
